We have accepted your nomination and are appointing him as the E.C.

Will surely look you up at the hamfest and will discuss the problems
that you have had with emergency communications in the last two years. We
hope you have these problems licked by now but we will do everything in our
power to assist the hams in your county if such is not the case.

Will be at Turkey Run State Park for the WHF hamfest. So if you are
there will be seeing you then. If not, then will see you later.
